TOP 9 – Accession of NCE Russia as associate member for approval

President Remec welcomes the Russian guests and invites Igor Mescherin, President of NPIRF, to say a few words to the audience before the voting of the accession of the organisation as an associate member of ECEC.

Mescherin expresses his pleasure to be here and thanks President Remec for the invitation. He stresses the common interests of NPIRF and ECEC, such as BIM and Public Procurement, therefore he would be looking forward to becoming associate member of ECEC.

The ECEC General Assembly unanimously approves the Accession of the National Chamber of Engineers (RU) as associate member of ECEC

President Remec welcomes NPIRF as new ECEC associate member and is looking forward to a fruitful future cooperation.
